Card# _____

Expiration date _____ Security Code: _____

The card security code is a special code feature of your credit card to provide added security for your transaction. It is a 3 digit number which is not part of your credit card number. It appears only on your credit card and provides some assurance the card is in your possession. Visa/MasterCard have the code in the last 3 digits of the number printed on the back of the card in the signature field.

Signature: _____

ESSENTIAL & FRAGRANCE OILS

KEY

E:Essential Essential Oils are defined as a group of volatile aromatic liquids or semi-solids containing true plant essences.

EC: Essential Compounds Essential Compounds are a harmonious blend of two or more essential oils to create a unique and exotic scent for body massage and perfumery. Blended compounds using particular essential oils for their therapeutic purposes are especially healing in baths and body wraps.

B:Blend Our original Blends are unique to Wood, Willow & Whatknots. They can contain any combination of Essential Oils, Essential Compounds or Fragrance Oils.

F:Fragrance Fragrance oils are man made from synthetic compounds to simulate the true plant essence.

WARNING

Oils labeled HOT means they CANNOT be worn “neat”, or directly on the skin, without first blending them with a carrier oil or other dilution. All oils should be skin tested prior to further use to ensure no negative reaction, irritation or rash would occur. We are not responsible for any reaction to any of our products used. USE AT YOUR OWN RISK.
